## **ATHENS, GA DOPS AND DIGS DEC 2025**

Thank you to Casey Gordon for the presentation on cabbing and faceting at our November meeting! Casey walked us through the step-by-step process of shaping stones and some alternative methods for doing so. Suggestions for classes were William Holland Lapidary School and the SFMS events at Wildacres. I'll include those in the newsletter when the dates are posted.

Casey also volunteered to be the new treasurer as Kodi is retiring after many years of service. Thank you Kodi!

We have no birthdays in December

### **December Party!**

Our December meeting will be the annual holiday party!

The annual Athens Rock and Gem Club Christmas Party will be held on Sunday, December 7th, 2024, at the home of Dee and Tom Pelewski. They are located at 120 Salem Church Road, Lexington, GA 30648. The hours are 2-5 p.m.

If you plan to attend the party, please RSVP with Dee and Tom by December 6th so Dee will know how many are coming to the party.

RSVP to Dee -770-364-4206

Also, you should plan to bring food (potluck -- can include meat, casserole, veggies, dessert, etc.). Please let Dee know what you are bringing for the potluck, so we have a good variety of different dishes.

The Club will provide ham, plastic plates, eating utensils, cups, drinks, ice, and napkins.

Dee says if you would like wine, you are welcome to bring your own bottle.

We will have our usual pirate gift exchange. Everyone knows what fun "stealing" can be! If you would like to participate, then bring a gift (with a mineral/gem/lapidary theme) with a value in the \$5-20 range. (No one would complain if it was worth more.) Wrap or bag the gift so it cannot be recognized. If it is most appropriate for a male or female, child, or anyone then specify this on outside.
